

## Practice Policy

**Practice** makes perfect! It is the responsibility of the parents to make sure students are prepared for lessons. We recommend students practice **six days a week**. Students must practice regularly in order for progress to be made. Another aspect of practicing can be followed by remembering this saying:

Fast Practice = Slow Progress  
Slow Practice = Fast Progress  
No Practice = No Progress

Individual teachers will have recommendations for students about styles and types of practicing. Parents are responsible to check with their child about practice expectations. The more interest parents show in their child's practicing and lessons, the more encouragement the student will feel. Parents need to make sure students have a specific place to practice, out of the main traffic of family life, so concentration can be at its highest. This will show the child respect for their learning and support of their efforts.

## Instrument Rental

It is important that students have a good instrument to practice with while learning to play. There are several places in Louisville where rental instruments may be secured on a monthly basis:

Teachers must be reimbursed for purchased music within one week of the student receiving it. ***If reimbursing by check, the check should be made payable to the teacher.***

## Faculty

All lessons and classes are taught by instructors with college degrees and advanced musical training and/or experience. Our faculty strives to share not only technical skills but also the joy of music making as a gift from God. Students will be placed with instructors that best suit their needs and experience.

## Absences and Termination

Music is like any other activity. It is only fun when it is done well. For this reason, commitment on the part of students and parents is a critical part of the student’s enjoyment and success. **No refunds or credit will be given for student absences.** Please notify your instructor in advance of an absence. Lessons missed by the instructor will be made up during or at the end of the semester. **Three consecutive absences will result in termination of the student from the Academy.** No refunds will be given except in extenuating circumstances. Classes missed by the student will not be made up.

## Promptness/Waiting Room

Regular attendance and promptness are very important. Students should arrive early for scheduled lessons. Teachers will ordinarily not be able to extend special privileges to latecomers. **Please use the entrance with the globed lights and double doors labeled “Sojourn Community Church” and proceed to the designated waiting area with the black Calvin Bulletin board or the seating area behind the Sanctuary/Chapel or your teacher’s teaching area.** Students may wait for parents after lessons in the waiting area. Parents or designated drivers are **required to pick up students immediately** at the end of lessons. In the case of emergency delays, students may wait for parents after lessons in the waiting area. No food or drinks are allowed in lesson areas. Parents are always welcomed and encouraged to observe lessons. **Children must be supervised at all times.**
